

Permission of data exchange

The protection of your data is very important to us. Compliance with legal data protection regulations is a matter of course for us. Furthermore, it is important to us that our customers are always aware of when we store which data and how we use it. By agreeing to this statement, you consent to the collection, processing, use, and transfer of the data you provide, in compliance with data protection legislation and the following provisions.

Parties:

1. Data provider

| | | | |
|--------------------|--|--------|--|
| Company | | Phone | |
| Name: | | Mobile | |
| Street | | E-Mail | |
| Postal code / city | | | |

Specifically for the following companies:

My current management system is: _____

| Company name | Company ID | Organisation ID | Database ID |
|--------------|------------|-----------------|-------------|
| | | | |
| | | | |
| | | | |
| | | | |

- Hereinafter referred to as "**Data Provider**" -

2. Responsible for collecting, processing, and using your data:

AgroVision B.V.

Wilmersdorf 50 , 7301 BK Apeldoorn, Netherlands

Hereinafter referred to as "**AgroVision**"

Data processing for the execution of this agreement by the data provider and recipient

In order to provide me, as a data provider, with individualized advice and support as effectively as possible, I agree that AgroVision may collect, store, link, jointly report, and use the following data about me and my company:

- Contact details of the company, such as the name, address, e-mail, and phone numbers of contact persons.
- Information about the company, such as company name and company numbers (e.g., UBN).
- Company characteristics.
- Production data collected and used in PigExpert, production monitors, or similar management software.
- The above-mentioned data will be anonymized for determining and using as reference values.

Please check the box:

yes / no - I agree that AgroVision may contact me by phone or e-mail for support services and product advice.

Request for sharing data with a supply chain partner

The data provider requests AgroVision, as a service provider and partner in this collaboration, to share the above-mentioned confidential data with;

The company: **ForFarmers Corporate Services B.V.** Based in: **Lochem**

hereinafter referred to as the "Recipient," for the purpose of providing information for analysis and advice.

Specification of information sharing with supply chain partner (please tick/check each item!)

The data provider also requests that the following data be shared with the Recipient:

- yes / no - Access to a copy of released production data as collected and used by the data provider in PigExpert, production monitors, or similar management software (no data modification allowed)
- yes / no - Access to the original PigExpert database, including the right to enter and modify data
- yes / no - Access to financial production data
- yes / no - Access to AgroVision FeedMonitor
- yes / no - Access to AgroVision Slaughter Monitor
- yes / no - Access to -

Any end date for this consent to release data:.....

Confidentiality

- AgroVision guarantees to the data provider that the received information will be handled and used in a discreet manner.
- By signing this declaration, the contractor commits to treat the software, reports, and documents made available to them confidentially, insofar as the information in question can be considered the property of AgroVision and/or its product(s).
- AgroVision will take action against any violation of this data protection declaration.

Data Protection Rights

You may withdraw your consent, in whole or in part, at any time.

You can send your withdrawal by e-mail to info@AgroVision.com. However, we will retain your personal data as long as we are legally required to do so, for example due to retention obligations or statutory limitation periods for potential claims that have not yet expired. Any data processing carried out before your withdrawal based on this consent remains lawful.

If you believe that the processing of your personal data violates data protection laws or that your data protection rights have been otherwise infringed, you also have the right to lodge a complaint with a supervisory authority for data protection regarding the processing of your personal data.
